Course Details This course is designed to give students their deeper look into the world of visual arts and design. The major units of study include Artist & Art History, Art Criticism, Aesthetics, and Art Production. Art Production is the making of art and the various components of making art, such as the use of tools, form, and expression. Art Criticism is the examination and discussion of style, formal principles of design, compositions, and also the 7 elements of art. Art History is not just “who made what, when, and where...” but is the history of people through works of art. Works of art provide unique documentation of cultural changes throughout history. Aesthetics is the philosophy of art. What is art? What is good art? It is important when art is studied that students engage their brains, think about what they are doing, learning, and feeling about their art and the artworks of others. This class will also challenge students to think more creatively and critically while making art through different art forms, styles, and when mess ups occur how to continue the project and recover it.

Course Objectives This class will increase the student’s knowledge of art history and improve their creative skills. There will be a different artist and new project based off of that artist each week. There will also be a few free flow classes which allow the students to use their own creative talents to create a unique art piece. By the end of the semester, students will have learned the following:

- Learn the Elements of Art and Principle of design and how to use them to create and critique works of art.
- Learn and understand how to use a variety of media to create original work of art.
- Be able to apply techniques and problem solving during the creative process and understand the influences they have on a finished work of art.
- Learn to use your personal artistic voice to express ideas, moods and feeling thought art.

- Learn the influences of individuals, communities, and cultures on art history.

About Your Teacher

Ms. Giselle has been in the creative world for her whole life, from drawing through elementary school and middle, to taking up photography and graphic design in high school. She is always doing something creative and loves to help unlock the artistic skills and talents in others. Born and raised in San Diego, California, Giselle was homeschooled from PreK-12th grade and worked on her photography business through high school. A few fun facts include her love for Disneyland and exploring unique coffee shops all around Southern California. She is so excited to be part of Awaken Academy and help lead the way for students to grow creatively.

Statement of Beliefs

Awaken Academy is a biblically-based model of education, and all employees hired within the Academy share in a core culture of spiritual DNA that forms the basis of how we treat ourselves and one another. We believe:

1. There is one God: God the Father, God the Son, and God the Holy Spirit.
2. In the deity of our Lord Jesus Christ the Son of God; we believe in His virgin birth, in His sinless life, in His miracles, in His victorious and atoning death, in His bodily resurrection, in His ascension

to the right hand of the Father, His constant intercession and in His imminent return.

3. In the baptism of the Holy Spirit as a gift available to believers subsequent to the new birth, with normal evidence of speaking in other tongues.
4. In the sacraments of the Lord's Supper and baptism by full immersion in water for all believers.
5. In the person and work of the Holy Spirit with His fruits and gifts available in the Church.
6. The Bible is the living word of God. It is infallible, authoritative and everlasting and is the foundation of all Christian doctrine.
7. In the existence of an evil spiritual being known as the devil.
8. In the great Commission given to us by Jesus Christ before His ascension, to go and make disciples of all nations, baptizing and teaching them. This requires both saving and transforming people from every culture, ethnicity and tongue!
9. In the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting separation from God.
10. In the church being the body of Christ, and each member being an active part of a local church, fulfilling the Great Commission.
11. Marriage was instituted by God, ratified by Jesus, and exists exclusively between a man and a woman. It is a picture of Christ and his church. Sexual intimacy is a gift from God for procreation and unity, and it is only appropriate within and designed for marriage.

Awaken Academy Student Code of Conduct

1. Students are to follow the directions of Awaken Academy teachers and staff at Awaken-sponsored events, including but not limited to field trips and performances.
2. Students are to display appropriate conduct during class session. This includes courtesies such as refraining from unkind remarks, profanity, coarse jokes, or other language that demonstrates disrespect or a lack of charity.
3. Students are to demonstrate respect and kindness to all staff and program participants. Students are not to gossip, lie, bully, or engage in physical or verbal fights with one another. Appropriate and biblical conflict management tools will be modeled, taught, and expected at Awaken Academy.
4. Students are expected to complete any assigned course work at home, to be on time to class, to bring the necessary class supplies, and to be prepared for the lesson. Students will not be permitted to sit in the back of the classroom and disengage. All students participate.

5. Students are encouraged to make wholesome friendships. Students should look upon one another as brothers and sisters in Christ and refrain from demonstrating romantic affection, or giving the appearance of romantic affection, at Academy functions.

6. Students are expected to demonstrate appropriateness in dress that exemplifies respect for oneself and for other students. Staff and faculty reserve the right to address the behavior of students who demonstrate a lack of awareness of the underlying principles of modesty and self-respect.

7. Awaken Academy students are encouraged to break the generational norms of screen/entertainment addiction. Unless the student needs to contact a parent, cell phones should be put away while the students are in class, at lunch, and on break. Friendships often develop in the margin before and after class, so students are encouraged to be engaged in the present moment and learn the art of face-to-face conversation.

8. Students are to display courtesy by remaining seated until dismissed, by treating church property with respect, and by cleaning up after themselves. Students are to respect the church facilities by taking care of the classrooms, not marking on the walls or tables, not pulling on wall displays, and by demonstrating care and respect for the buildings with which we have been blessed.

9. Students must be under the direct supervision of their parent or an Awaken Academy teacher at all times, including breaks, and it is the student's responsibility to be in an area that is appropriately supervised. Students will be signed in and out of class and the campus each day. Students must remain on site during lunchtime/breaks unless signed out by an approved family member.

10. Awaken Academy students are expected to refrain from immoral and illegal conduct. All weapons, illegal drugs, alcohol, and tobacco products are strictly prohibited from the facilities. Stealing, lying, bullying, cutting, fighting, or other acts of aggression toward oneself or others will be grounds for immediate dismissal from the program.
